AMAZONS NETWORK

TERMS OF SERVICE

1. PURPOSE

These Terms of Service set out the terms and conditions governing the provision and use of internet connectivity and related services offered by Amazon's Network ("the Company"). By subscribing to or using the Company's services, the client agrees to comply with these terms.

2. SERVICE PROVISION

Amazon's Network shall provide internet and related network services in accordance with the subscribed package, coverage availability, and the agreed service plan.

The Company reserves the right to modify, upgrade, suspend, or discontinue any service where necessary for operational, technical, security, or regulatory purposes.

3. CLIENT REGISTRATION AND ACCOUNT RESPONSIBILITY

The client shall:

- Provide accurate and complete registration information.
- Maintain updated contact details for communication and billing purposes.
- Be responsible for all activities conducted under their account.
- Ensure confidentiality of login credentials and account access details.

4. BILLING AND PAYMENT TERMS

4.1 Subscription Fees

Clients shall pay all applicable subscription, installation, and service charges within the stipulated billing period.

4.2 Invoice Issuance

The applicable Terms of Service and installation terms shall accompany invoices and quotations issued by the Company.

4.3 Late Payments and Debt Management

Failure to settle outstanding balances within a period of three months may result in:

- Service suspension,
- Restricted access,
- Account deactivation,
- Debt recovery follow-up procedures.

The Company reserves the right to implement debt control measures on overdue accounts.

5. INSTALLATION TERMS

5.1 Installation Process

All installations shall be carried out by authorized Company personnel.

5.2 Client Obligations During Installation

The client shall:

- Provide a safe and accessible installation environment,
- Allow reasonable access to the premises,
- Ensure availability during scheduled installation appointments.

5.3 Installation Charges

Installation fees and related costs shall be communicated to the client before service activation.

5.4 Equipment Ownership

- All customer-purchased equipment (routers and adapters) shall remain the property of the client upon full payment.
- Where equipment is provided by Amazons Network under rentals, lease, or temporary usage arrangements, such equipment shall remain the property of the Company unless otherwise agreed in writing.

- The client shall be responsible for the proper handling and safety of all equipment installed at their premises. Any loss, intentional damage, or misuse of Company-owned equipment may attract replacement or repair charges.

6. ACCEPTABLE USE POLICY

Clients shall not:

- Use the service for unlawful activities,
- Interfere with network performance or security,
- Resell services without Company authorization,
- Engage in activities that may negatively affect other users or the Company infrastructure.

Violation of this policy may result in suspension or termination of services, and where applicable, legal procedures shall be applied.

7. SERVICE AVAILABILITY AND INTERRUPTIONS

The Company shall make reasonable efforts to maintain reliable network availability. However, Amazon's Network shall not be held liable for service interruptions resulting from:

- Power outages,
- Technical faults caused by clients
- Natural disasters,
- Third-party infrastructure interruptions
- Circumstances beyond reasonable control.

8. ACCESS CONTROL AND SYSTEM SECURITY

To enhance operational efficiency and data protection:

- Access control measures may be implemented across Company systems,
- Unauthorized access or misuse of systems is strictly prohibited,
- The company reserves the right to monitor and restrict access where necessary.
- The company does not monitor, access, or track the content of customers' browsing activities, communications, or data stored on their personal devices while using the service

9. CUSTOMER SUPPORT AND TICKETING

Clients shall report service issues through the official support and communication channels provided by the Company.

The Company shall make reasonable efforts to:

- Respond to reported issues promptly,
- Address critical service concerns,
- Provide updates regarding service issues resolution status.

10. ACCOUNT SUSPENSION AND TERMINATION

The Company reserves the right to suspend, deactivate, or terminate services under the following circumstances:

- Non-payment of dues,
- Breach of this Agreement,
- Fraudulent or unauthorized use,
- Abuse of Company infrastructure or personnel.

11. PRIVACY AND CONFIDENTIALITY

The Company shall handle client information with confidentiality and shall only use such information for:

- Service delivery,
- Billing and operational purposes,
- Customer support,
- Legal or regulatory compliance, where applicable.

12. AMENDMENTS TO TERMS

Amazon's Network reserves the right to review, amend, or update these Terms of Service at any time, according to the company's standards. Clients shall be notified of significant changes where necessary.

13. GOVERNING PRINCIPLES

This Agreement shall be interpreted in accordance with applicable laws, company operational policies, and industry best practices.

14. ACCEPTANCE OF TERMS

By accepting below or using the Company's services, the client acknowledges that they have read, understood, and agreed to comply with these Terms of Service.
